The Expo is designed to move engagement from policy dialogue to commercial opportunity, creating a structured pathway from conversation and negotiation through to investment and transaction.

Day 1 centres on the Ministerial Colloquium, Executive Keynote Sessions and strategic policy discussions, including a Presidential Keynote Address and Ministerial Panel. Day 2 shifts focus to Country Pavilions, the Exhibition Showcase, B2B Matchmaking and Deal Room Sessions, alongside an OEM & Technology Showcase.

Invited participants include Continental Ministers, The Honourable Parks Tau (Minister of Trade, Industry and Competition), The Honourable Gwede Mantashe (Minister of Mineral and Petroleum Resources), and The Honourable Dr Kgosientsho Ramokgopa (Minister of Electricity and Energy).
